

Anatomy of a URL

Body

The diagram illustrates the components of the URL `http://en.wikipedia.org/w/index.php?title=Phishing&printable=yes`. Brackets are used to group parts of the URL, with labels in blue text above or below them. The `http://` part is labeled 'Protocol'. The `en.wikipedia.org` part is labeled 'Domain', and the `en` part is further labeled 'Sub-Domain'. The `/w/index.php` part is labeled 'Path'. The `?title=Phishing&printable=yes` part is labeled 'Parameters'.
